

Carnival Cup '16

We celebrate our tenth season with a brand new event – Cricket Carnival Cup, hosted at Garboldisham CC – which will bring the curtain down on our first decade of league cricket in South Norfolk.

Open to the top two teams from both U11, U13 & U15 leagues, this is a separate cup competition featuring slightly different rules and format to our normal summer fixtures. [Full details can be found here.](#)

We are very fortunate to have received generous sponsorship for this celebration from Regional Car Parks, a company who have been supporting youth sport in the county since 1999, including the original Cricket Carnival, hosted by Mulbarton CC, which ran from 2001 -2010.

zipleague

Congratulations to Topcroft, winners of the fifth U14 zipleague competition.

The recent survey regarding the delivery of indoor winter league cricket indicated healthy support for the continuation of our U14 competition and considerable interest in a new U12 league.

With this in mind, the 2016/17 season will feature our usual U14 league and the introduction of a new U12 age group, based at Norwich School on Wednesday evenings.

At U14 level we are keen to see a return to the two group system which promises a taster of the competition to new or understrength entrants without committing them to a whole season of fixtures. Entry will be limited to ten teams – two groups of five with the initial rounds (four games) deciding the top two from each who will go through to a winners' league (three games); i.e. six teams would play four games and four teams seven games.

At U12 level, entry will initially be limited to six teams.

To register your interest or to enter either of these competitions, please visit our [league forms page](#). Full details of the competition can be found [here](#).

Only 6? Plenty for a game then. Don't cancel or postpone—talk to the opposition manager who

will almost always choose the option to play and lend rather than give up the game altogether. **Play cricket.**

Despite our rain ravaged season, there have already been many outstanding performances from our young cricketers.

With the introduction of compulsory retirement across all but the U17 leagues, the focus of achievement is primarily on bowlers this summer, the best of which so far has been Garboldisham's U11 player Daniel Worby (pictured) who took 4 wickets for 1 run in his side's fixture against Mundford.

There is still the possibility of achieving the magic three figure mark at the older age group, with Mattishall U17's Zak Fisher reaching 102no in his club's encounter with Diss.
