### Garboldisham crowned inaugural year winners by narrowest margin

Congratulations to Garboldisham CC on topping the table in the first year of this new league by just one point.

Despite not completing their fixtures, their total of seven wins was just enough to guarantee that the trophy will be heading to the depths of South Norfolk in 2007.

Credit also to Hardingham A and Hethersett and Tas Valley who kept up the pressure throughout the season, finishing second and third respectively, again by just one point.

Another winner of the summer was the cricket itself and the exemplary spirit in which clubs approached and played these games. All teams are to be congratulated for working hard, often under difficult conditions, to make this first season such a success.
